Australië 2008

Northern Territory & Queensland

Amfibieën & Reptielen: WAARNEMINGEN PER DATUM / GEBIED (in functie van eerste waarneming)

Observatie nummer		SEPTEMBER 2008																										OKTOBER				
		14	14	15	15	15	15	16	17	18	19	19	19	20	21	21	23	24	24	25	26	27	28	28	29	29	30	30	1	1	1	2	3
		Darwin	Fogg Dam	Fogg Dam	Nonaamah	Dorat Road	Lake Bennett Resort	Kakadu National Park	Kakadu National Park	Kakadu National Park	Kakadu National Park	Edith Falls	Katherine	Katherine	Katherine -> Tennant Creek	Tennant Creek	Simpson - & Ormiston Gap	Glen Helen	Kings Canyon	Kings Canyon -> Yulara	Yulara	Yulara	Yulara	Cairns	Cairns	Daintree	Julatten	Daintree Wetherby Station	Julatten -> Yungaburra	Mareeba Granite Gorge	Yungaburra	Yungaburra	Mareeba
1	Cryptoblepharus plagiocephalus of cygnatus	x							x																								
2	Amphibolurus temporalis	x							x																								
3	Gehyra australis	x					x	x					x			x					x			x								
4	Bufo marinus		x			x	x	x	x	x			x												x	x							
5	Chelodina rugosa		x																														
6	Crocodylus porosus		x					x	x																	x							
7	Varanus panoptes		x																														
8	Liasis mackloti		x																														
9	Glaphyromorphus douglasi		x		x				x																								
10	Litoria dahlii		x						x																								
11	Litoria rothii		x						x	x																x		x					
12	Carlia triacantha			x																													
13	Rhamphotyphlops spec.			x																													
14	Litoria caerulea			x	x	x		x	x					x																			
15	Litoria tornieri					x																											
16	Liasis olivaceus					x																											
17	Strophurus ciliaris ciliaris					x										x																	
18	Carlia munda								x																			x					
19	Limnodynastes convexiusculus								x																								
20	Stegonotus cucullatus								x	x																							
21	Lialis burtonis								x				x		x																		
22	Limnodynastes ornatus								x																								
23	Amphibolurus gilberti								x			x		x																			
24	Fordonia leucobalia									x																							
25	Litoria bicolor									x	x																x					x	
26	Ctenotus inornatus											x																					
27	Hemidactylus frenatus												x													x							
28	Gehyra nana												x				x	x															
29	Oedura gemmata												x																				
30	Oedura marmorata												x																				
31	Heteronotia binoei												x	x			x	x		x		x											
32	Carlia amax													x																			
33	Cyclorana australis													x																			
34	Furina ornata													x																			
35	Varanus acanthurus													x																			
36	Demansia papuensis													x																			
37	Litoria meiriana													x
